

Transforming Digital Mortgage

The Right Platform, the Right Experience

- ▶ **A robust solution that houses the loan officer fully within the platform.** Coupled with our robust integrations, the Loan Officer can complete all tasks including income/asset verifications, disclosures, locking, appraisal payment and much more.
- ▶ **Committed to your Loan Officers** - Cloudvirga has created a user experience that is intuitive, helpful, easy to navigate and minimizes use of multiple existing platforms.
- ▶ **Battle Tested and Proven** - The Cloudvirga platform is used by **10 of the Top 40** mortgage originators with total loan annual loan volume of **\$200 billion annually**. All with an Application Completion Rate of 80%+ and a Net Promoter Score of 92%

Cloudvirga's unique platform empowers the Loan Officer through our integrations and improves their experience through focused technology.

The Power of Cloudvirga in the Palm of Your Hand

One Platform – Two Perspectives

Loan Officer

Close loans more efficiently and with the best user experience

- ▶ Cloudvirga's unique platform not only empowers the Loan Officer with our technology and integrations, but through focused technology that improves their overall experience.
- ▶ Lock in borrower commitment quickly, efficiently and compliantly with the fastest digital workflow available.
- ▶ Create underwriting-ready files with accurate disclosures for all products.
- ▶ Remove downstream inefficiencies with real-time, dynamic updates to fees, disclosures and needs lists.

Consumer

A white labeled, full-featured, mobile-first digital mortgage solution for borrowers, realtors, and originators

- ▶ Communicate, collaborate, review and assist from any device, anywhere, any time.
- ▶ Empower borrowers with a simple, mobile optimized ADA compliant experience.
- ▶ Improve efficiency with self-service features, such as eVOA, appraisal ordering, disclosure review and e-sign, and borrower ability to run credit.
- ▶ Boost productivity with task automation and built-in workflows.

Built by mortgage experts for mortgage experts.
